High School Band Challenge

Come Support the High School Band Challenge!

The annual San Francisco Fleet Week High School Band Challenge is returning to San Francisco on Monday, October 8, 2018.

The event, hosted by the San Francisco Fleet Week Association and supported by Recruiting Station San Francisco, 12th Marine Corps Recruiting District, provides top Bay Area High School bands an opportunity to compete head-to-head for cash prizes of up to \$30,000. The winning band will be awarded the top prize of \$10,000, and every band entering the challenge will be awarded a cash prize. The money these hard-working, talented young individuals receive will go toward new musical equipment, uniforms, or transportation.

Camp Pendleton's 1st Marine Division Band, will judge the event, join in the fun, and entertain crowds with upbeat and patriotic tunes during the event.
